

## Power supply unit

### AAS-PSU-MS

#### Features:

- New elegant design with MS enclosure.
- Wall mount facility
- 24VDC Voltage output
- Plug in type connector
- Industrial relay for switching.
- Rating can be customisable
- Low maintainance
- SMPS with fuse protection.

#### Specification:

Input Supply	:	230VAC
Output voltage	:	24VDC
Output current	:	
Customisable	:	
Relay rating	:	Customisable
Trigger voltage	:	24VDC
Temp range	:	0° C to +60°

#### Mechanical Specification

Housing: ABS

Colour: Ivory/White

Dimension: 320mm X 265mm X100mm
